MEMORANDUM FOR: General Counsel

SUBJECT: [REDACTED] System for Premature Retirement of Officers

25X6

1. Attached is the [REDACTED]' report on the [REDACTED] system for premature retirement of officers. I acknowledged receipt of the report before I left [REDACTED] saying that there were no further questions which I wanted to ask although there might well be a number of points which you would like to raise after you had had a chance to study the material. As you probably know, [REDACTED] is the top admin fellow for [REDACTED] and a very able officer. He would, I am sure, be delighted to get your reactions in due course and to answer any further questions that you may have. [REDACTED] is, of course, the appropriate channel for any communication to [REDACTED]

2. I am sorry that this has been slow in arriving but, actually, I only received the report shortly before leaving [REDACTED] and the dispatch carrying it from [REDACTED] to Washington moved pretty slowly, perhaps due to the holidays. However, it got to my desk on 12 January.
